

## A Trinity Nuclear Abolition (TNA) Prayer-Action:

**Let's pray for peace at  
Los Alamos National Laboratory**

**Noon on June 19<sup>th</sup>  
until Noon on June 20<sup>th</sup>  
The prayers begin on Fathers' Day,  
which is also Holy Trinity Sunday**

Twelve of the daylight hours will be devoted to different prayer-styles from different traditions (12noon -6pm on Sunday and 6am to noon on Monday). The twelve remaining hours (overnight) will be spent in the city of Los Alamos. Feel free to come for just a few minutes, an hour, or even for the whole 24 hours as we stand, walk and sit in opposition to the development of nuclear weapons and the CMRR facility honoring the good spirit of Fatherhood and the Holy Trinity.
